

Dallas Alumni Time Kapsule

The Legacy

Our aim continues to be, as it has been since our fraternity's inception, "**Honorable ACHIEVEMENT in every field of human endeavor.**" After seventy-five years, The Dallas Alumni Chapter of Kappa Alpha Psi Fraternity, Inc. has become a fixture in Dallas and a leader among volunteer organizations. Our flagship service program, the Kappa League has produced several outstanding young men. Some of these participants have gone on to become Kappa men themselves. Our other Community Involvement undertakings such as: People Helping People senior citizen home improvement projects, Margaret Cone Headstart Center Read-A-Thons, Youth Leadership and Career Development Seminars, Prostate Health Screenings, Voter Registration Campaigns, Holiday Basket Giveaways as well as our spearheading of Kappa Kamp, academic scholarships and the various endeavors of the Guide Right Foundation of Dallas, Inc. have helped our chapter integrate the fabric of the Dallas/Fort Worth Metroplex and position ourselves as catalysts for positive change.

Our history is still in the making...
